

Hangout@UOB

Designed by **students for students**

Digital interactive wall

- First bank to integrate artificial intelligence (AI) for social engagement at the branch
- UOB and AI firm SenseTime collaborated to develop AI-powered games that students can play when taking a break from their studies

A space designed to encourage social interactions

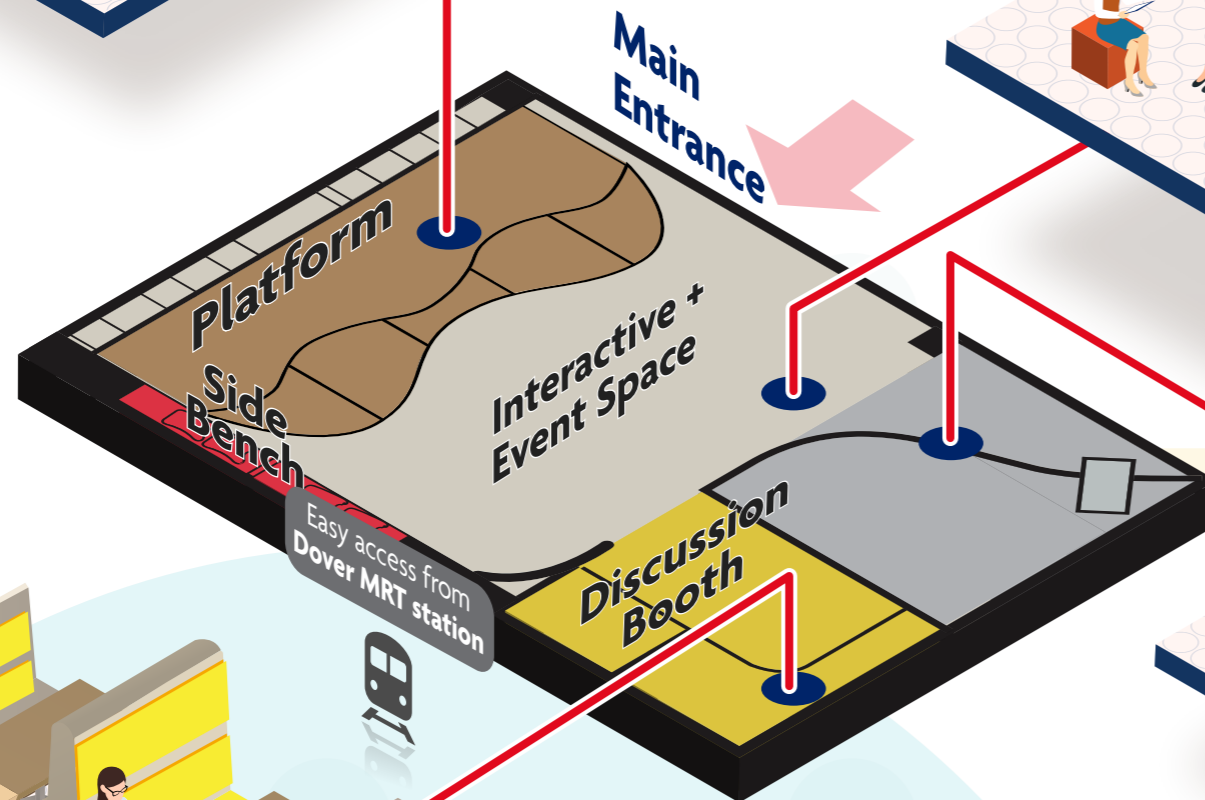

- **Modular furnitures** that students can move around to make the space their own
- Ability to **house 20 people** comfortably for talks and seminars

Mural wall

- An eye-catching artwork created by students featuring icons and images popular with the student community

Comfortable discussion booths for private conversations on financial planning

- To facilitate **private conversations** about the students' financial aspirations

Hangout@UOB is conveniently located at **Foodcourt 5, Singapore Polytechnic.**
